Parent Voice Autumn 2019

The following survey was taken during the recent Parent Consultation Evening on the 23rd-24th September 2019 by 143 parents/carers. The survey is based on the Ofsted Parent View questions which parents are invited to complete when a school is going through the inspection process. This survey therefore gives our school's parents the chance to tell us what they think of our school, including:

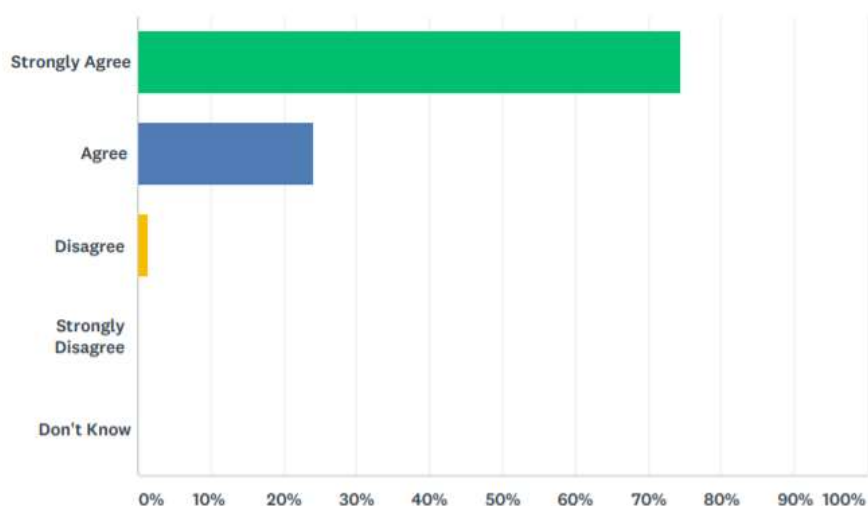

- how happy their child is at GCPS
- how the school manages bullying or challenging behaviour
- the academic expectations of our school and how we inform our parents
- SEND provision in school

The survey helps us build a picture of what our school looks like and the areas which we need to improve. Where results are positive it supports our view that we have some excellent staff both in and out of class who help the pupils of Greenland Community Primary School achieve their very best.

The survey consists of 15 questions, the first of which asks for the first name only of the child who attends the school which is not published in this report. The rest of the results were as follows.
