Dear Parent / Carer,

Extended after school provision

You may have been asked to complete a Parent Questionnaire at our November Parents Evening, the findings of which I will share with you in the New Year. Part of this invited respondents to tell us what would make Greenland better, to which a number of responses suggested a paid for extended after school provision.

In order for us to ascertain if this is feasible, I have attached a feedback form that I would appreciate you completing and returning to school as soon as possible. I completely understand this is a very busy time of year but if you could take a few minutes to answer our questions it will help us make a decision early in the new term as to whether this can be offered. It is important to stress at this point that extended after school care is not guaranteed and may not be feasible, this is just research at present.

On behalf of everyone at Greenland Community Primary School and Stanley Learning Partnership, I would like to take this opportunity to thank you for your continued support throughout 2018. We would like to wish both you and your family a very Merry Christmas and Happy New Year and look forward to working with you again in 2019.

Kindest regards,

Miss AM Lewis
Head of School
