

Sports Premium Funding

Annual Statement
2020-21

Introduction

In the academic year 2020-21 we received £22,360. The money has been spent to fulfil the following grant conditions, additional money was invested by school to supplement our sports premium.

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Stanley Learning Partnership Schools Sports SLA	<p>Stanley Learning Partnership and the local SGO created a calendar of events for local schools sign up to. Over the year there will be over 50 planned events across all topics of the curriculum.</p> <p>As well as the events, we will also receive curriculum and assessment support, a 6 week out of hours club, sports leaders training, bus tokens and a sporting fundraiser to help us fund our extracurricular trips e.g., skiing and outdoor learning trips.</p>	<p>Unfortunately, for obvious reasons the calendar of events was not able to go ahead this year. However, funding was put towards holiday providing additional places during the holiday camps (below).</p>	<p>Increased participation in sport outside of school.</p> <p>Children continued to hit the active 60 minutes per day, even during the school holidays.</p>	1, 2, 3, 4 & 5	£1,500
Employment of specialist PE coach	<p>Employing a specialist PE coach will ensure all staff are upskilled in curriculum topics and lunch staff are upskilled with lunchtime activities. The coach will also lead on high quality after school clubs and lead school teams at events.</p> <p>The coach will also lead on movement interventions for SEN and other identified children with a focus on gross and fine motor skills.</p>	<p>Our teaching staff were able to successfully lead on PE sessions across the school year and will continue this</p>	<p>Allowing the children to access expert coaching inside and outside of curriculum. Class teachers have been upskilled and able to plan and lead lessons with support from the coach. Also increased numbers in after school provision.</p>	1, 2, 3, 4 & 5	£5,000

		<p>development in the coming year.</p> <p>Lunch staff feel more comfortable in leading activities</p>	<p>A higher proportion of children accessing the 30 minutes of high intensity activity per day, as advised by the Chief Medical Officer.</p>		
Transport to events	<p>To help subsidise the cost of transport to events this year where we cannot use the school mini-bus.</p>	<p>The school mini bus can be used to transport children to and from events.</p>	<p>More children accessed sporting events to and gained more experience and skills outside of PE in school. Pupils were able to develop social and teamwork skills with their peers and other schools.</p>	4 & 5	£2,000
Sports Equipment	<p>Investment will be made in updating, replenishing and revamping the sports equipment and kit that we have in school. A variation of sporting activities will be taken into account when making these purchases. This will include all essential PE equipment such as bibs, balls, cones and gymnastics mats. Due to Covid-19 restrictions on mixing/sharing we will be purchasing more equipment so children can have one each in lessons or a spare set whilst one set is cleaned.</p>	<p>The quality of kit will be looked at on a year-by-year basis.</p> <p>It is projected that the majority of expensive equipment (including basketball nets and football goal nets) purchases will last between 3-5 years before replacements are needed.</p> <p>PE essentials (e.g., bibs, balls, cones etc) will be replaced every 1-2 years.</p>	<p>Increased numbers of pupils accessing competitive sports in school and joining teams or signing up for events which allow them to represent the school.</p> <p>Safety ensured in PE lessons due to equipment being in correct working order.</p> <p>Duration of PE lessons being active increased per pupil due to extra equipment being available.</p> <p>Pupils' activity levels increased throughout the school and extended school day due to equipment allowing for extended provision.</p>	4	£4,000

Active 30 Fortnight	As a result of Covid-19 lockdown and restrictions we are planning to host two weeks of different sporting experience. Using external providers to provide a different offer to the children. Activities will include yoga, skipping, fitness etc. This will help us increase children's daily exercise rates back to 30 minutes per day in school and encourage them to do more outside of school. A whole school approach from all members of staff will help embed this ethos throughout the school.	External providers were not able to come into school however some were completed virtually.	Increased participation in a wider range of sport activities. Pupils' activity levels increased throughout the school and extended school day, children now applying skills such skipping and taking part in specific sports during their free time i.e. outdoor breaktimes.	2	£2,500
Holiday Camps	To further engage children in activity and to ensure interest in sports and activity levels are high all year around we will provide free holiday sports clubs for our children via our specialist coach. Children will be able to access a wide range of activities to keep them healthy and active during holiday times. This will also ease pressure on parents who generally have to find suitable childcare during these times.	We will continue to raise funds with school fund raisers to allow the children to access sport in school holidays.	Increased participation in sport outside of school. Children continued to hit the active 60 minutes per day, even during the school holidays.	1, 2, 4&5	£1,000
Subsidy of Outdoor Learning Trips	Years 3/4 and 5/6 will have residential trips this year where they will engage in a range of outdoor pursuits focused on building their experience, engagement and enthusiasm for less traditional activities including gorge walking, gill scrambling, archery, climbing, trapeze and caving. This will take place in the Summer term.	Lockdown restrictions meant that these activities were not able to go ahead. Funds were used for more staff to take part in CPD training in outdoor lessons, active numeracy and literacy (below)	NA	2&4	£1,000
Outdoor and Adventurous Activities	We will invest in our outdoor area and staffs forest school skills this year. All staff will undergo CPD training in outdoor lessons, active numeracy and literacy. Staff will be able to use the forest school and grass areas for all lessons to add an active element or teach about the environment. Along with CPD, we will invest in equipment for sports such as archery and orienteering for the		Due to take place in the Summer term however due to Covid-19 this did not take place. We do plan on delivering this in 2020-21 year and will carry the money over.		

	outdoor area. This will allow us to give our children to experience different sports whilst in school and gain map reading skills.				
				Total Cost:	:£22,500
